

Team Code Kudos

What if...we put a social spin on code reviews?

It's simple:

1. See good code?
Give it a shoutout.

2. Celebrate your peers! Scroll through a feed of shoutouts.

Kudos, Cody McCoder! #CodeHygiene 👍

```
private String soap;  
private Boolean isClean;  
  
public String getSoap() { return soap;}  
public Boolean getIsClean() { return isClean;}
```

Kudos, FizzBuzz Lightyear! #TestCoverage ✅

```
@Test  
public testInfinity () {  
    Boolean toInfinityAndBeyond = beginAdventure();  
    Assert.assertTrue(toInfinityAndBeyond);  
}
```
